Education and Training

- 2017 – present Assistant Professor, Industrial/Organizational-Social Psychology
Department of Psychology
Illinois State University
- 2015 – 2017 Drs. Gloria & Jack Chisum Postdoctoral Research Fellow
Annenberg Public Policy Center
University of Pennsylvania
- 2009 – 2015 Ph.D., Social and Personality Psychology
Department of Psychological Sciences, University of Missouri
Graduate adviser: Dr. Bruce D. Bartholow
- 2014 Minor in Psychological Statistics and Methods
- 2007 – 2009 Research assistant, functional brain imaging
Department of Psychology, Washington University in St. Louis
Supervisor: Dr. Todd Braver
- 2003 – 2007 B.A., Neuroscience and Russian Literature
Dartmouth College

Publications

- Hilgard, J.**, and Hall Jamieson, K. (in press). Does a scientific breakthrough increase confidence in science? News of a Zika vaccine and trust in science. *Science Communication*.

Research experience

2017 – present	Assistant professor, Illinois State University
2015 – 2017	Postdoctoral research fellow, University of Pennsylvania
2009 – 2015	Graduate student, University of Missouri - Columbia
2007 – 2009	Research assistant to Dr. Todd Braver and Dr. Deanna Barch Washington University
2007	Undergraduate research assistant to Dr. Todd Heatherton & Dylan Wagner Dartmouth College

Teaching experience

2017 – present	Assistant professor, Illinois State University
2015	Invited workshop on the use of Bayes factors, Northern Illinois University
2014	Instructor, Statistics (Research Methods II), Department of Psychological Sciences, University of Missouri
2014	Departmental workshop on the use of R package “ggplot2” for datavis
2013 – 2014	Instructor, Statistics (Graduate Statistical Software & Data Management), Department of Psychological Sciences, University of Missouri

Funding

2015-2017	Drs. Gloria and Melvin “Jack” Chisum Research Fellowship
2013-2015	Teaching assistantship
2009-2013	Bond Life Sciences Fellowship

Invited lectures

Bayesian hypothesis testing: The why and how. (2015, Dec). Lecture presented to the Bayesian Statistics Interest Group at Northern Illinois University.

Developing new tools in video game research. (2014, Feb). Lecture presented to Psi Chi Society, University of Missouri.

Do violent video games affect aggressive behavior? (2014, Oct). Lecture presented to Psychology 1000: General Psychology, University of Missouri.

Symposia presented

Hilgard, J., Li, N., Scheufele, D. A., Winneg, K. M., & Hall Jamieson, K. (2016, June). Cross-Pressuring Conservative Catholics? The U.S. Public's Reaction to Pope Francis' Encyclical on Climate Change. In M. Skoric (chair), *Processing political and news information in an age of entertainment and overload*. Panel conducted at the meeting of the International Communication Association, Fukuoka, Japan.

Hilgard, J. & Hall-Jamieson, K. (2016, May). A novel, brief, and general approach to measuring media diet. In P. Pain (chair), *Media use and public opinion*. Panel conducted at the meeting of the World Association for Public Opinion Research, Austin, TX.

Hilgard, J., Bartholow, B. D., Weinberg, A., & Hajcak, G. (2011, May). Reconsidering the negativity bias: An argument for motivated perception. In D. R. Herring & P. A. Gable (chairs), *Electrophysiological correlates of motivationally evaluative processes*. Symposium conducted at the meeting of the Society for the Study of Motivation, Washington, D.C.

Posters presented

Hilgard, J., Engelhardt, C. R., & Rouder, J. N. (2016). The overestimation of violent-game effects in experiments. Poster session presented at the annual meeting of the American Association for the Advancement of Science, Washington D. C.

Hilgard, J., Engelhardt, C. R., & Bartholow, B. D. (2014). Effects of video game violence, game difficulty, and prenatal testosterone on aggressive behavior. Poster session presented at the annual meeting of the Society for Personality and Social Psychology, Long Beach, California.

Hilgard, J., Engelhardt, C. R., Bartholow, B. D., & Segert, I. (2014). Digit ratio measures of prenatal testosterone exposure in predicting provoked aggression. Poster session presented at the annual meeting of the Society for Psychophysiological Research, Atlanta, Georgia.

Hilgard, J., Engelhardt, C. R., & Bartholow, B. D. (2013, 2014). Individual differences in motives, preferences, and pathology in video games: The risk of escapism and online relationships. Poster session presented at Bond Life Sciences Day, Columbia, Missouri and at the annual meeting of the Society for Personality and Social Psychology, Austin, Texas.

Hilgard, J., Weinberg, A., Hajcak, G., & Bartholow, B. D. (2013). Does the negativity bias in affective picture processing depend on novelty? Poster session presented at the annual meeting of the Society for Psychophysiological Research, Rome, Italy.

Hilgard, J., Kerns, J. D., & Bartholow, B. D. (2013). Alcohol placebo effects on cognitive control: Investigating neural mechanisms. Poster session presented at the annual meeting of the Society for Personality and Social Psychology, San Diego, California.

Hilgard, J., Bartholow, B. D., Hajcak, G., & Weinberg, A. (2010, October). Rethinking the Negativity Bias: On the Importance of Qualitative Differences in Emotional Stimuli. Poster session presented at the annual meeting of the Society for Psychophysiological Research, Portland, Oregon.

Honors and Awards

2015	Department nominee, Donald K. Anderson Graduate Teaching Award
2012	1 st place Psychology poster award, Bond Life Sciences Week
2011	1 st place Psychology poster award, Bond Life Sciences Week
2009-2013	Bond Life Sciences Fellow, University of Missouri

Statistical workshops attended

American Statistical Association Course on Data Mining, Fall 2013
ICA/PCA of ERP Data: An EP Toolkit Tutorial Workshop, Fall 2012

Advising experience

Undergraduate Honors Thesis Advisor, James Cole, Fall 2013

Ad-hoc reviewer
